Since its conception in 2002, The Guild of Erotic Artists has grown in not just numbers but in stature. Already an international organisation, it is the becoming the premier erotic art organisation in the world. The members consist of artists, photographers, life casters and sculptors. Specialise in various genre's including Fetish, Glamour, Fine Art, Nude, and of course erotica.

The Guild started out in a converted barn in St.Albans, Hertfordshire which became the legendary Beaumont Hall Studios but the Guild outgrew the space, so they have now acquired new headquarters in Bedfordshire, UK and a new exhibition centre in Central London, UK, as well as a new showroom in Cologne, Germany.

The Guild also takes their show 'on the road' and they have exhibited in London, Manchester, Birmingham, Edinburgh and Brighton in the UK. With various members appearing in exhibitions across the globe, Las Vegas, Chicago, Seattle, New York, and Miami in the States. Berlin, Essen, Lille, and other various local exhibitions. They also exhibit annually since conception in the art gallery at the Erotica Show in London.

Featured in many TV programmes on ITV, BBC, Sky, Virgin 1, all Guild members strive to high ideals and are positively encouraged to. With their 2 books 'The Guild of Erotic Artists Vol.1 & Vol.2, and their promotional DVD's available to the public, The Guild have made a positive stand for erotic art and on freedom of expression.
