

Steve DT

presents his new erotic ebook
'Xcerts'
Published December 2012

No. 4: **Xcerts**

Erotic photographer Steve DT, provided stills photography for a recent adult film. The fotos included in this collection explore sexual intimacy and are from episodic scenes that never made it to the finishing line. These were xcerts exiled to the digital ether, to be forgotten and to decay, for a variety of reasons; from poor production to cash failures.

ISBN: 978-0-9559652-8-9

33 pages, 76 bw/colour photographs

Xcerts is available as a pdf ebook direct from Lulu.com, and the url is <http://www.lulu.com/shop/steve-dt/xcerts/ebook/product-20468566.html> for the princely sum of \$4.00 each. It is No. 4 in the series entitled Four Dollar Pearl.

The Four Dollar Pearl series was inspired by the pioneering independent publications that were active below the public surface of Victorian morality. Most notably The Pearl, a leading erotic magazine of its day, published in London in July 1897. During its brief existence of eighteen months, the magazine feasted on short stories, poetry and had serialised several novels, of which all were celebrations of sensual pleasures, wanton delights and the pursuit of lovemaking in all its myriad forms.
